

Véronique Wildemeersch

senior advocaat

Véronique Wildemeersch graduated in 2015 as a Master of Law from the University of Antwerp. During her university education, she decided to focus on administrative law.

Since 2015, Véronique has primarily worked as a lawyer at GSJ advocaten. She is a valued member of the Administrative and Environmental Management Law team, specialising mainly in cases pertaining to spatial planning, urban development and the environment. In her work as a legal expert, she assists private clients, businesses and public authorities with advice and with the necessary support in the event of litigation before courts and commissions.
